Now—the famous, proven **MADE SIMPLE** method offers you an education worth hundreds of dollars for pennies a day! Complete practical instruction in science, business and cultural subjects that you use every day for the children in school, mother at home, dad in his work and everybody in all their social contacts.

You can master these subjects in as little as 15 minutes a day, in weeks instead of years, with these books that are recommended by parents and noted educators for all age groups.

Learn Whenever You Want—Like Having Private Instructors in Your Own Home

This **MADE SIMPLE SELF-TEACHING** set is the only encyclopedia that makes important subjects part of your general knowledge instead of having to look in books to solve every problem. It covers practical, useful subjects in everyday language. It's like having private instructors in your own home. Learn at your own pace. No outside work, nothing else to buy. The books start from the beginning, assume no previous knowledge and lead you quickly and carefully through the entire subject. Prepared by experts for adults working without supervision, they also perfectly supplement classroom texts, which contain confusing technical language.

Beautiful Library Volumes Perfect for Learning, Brush-Up, Permanent Reference

Whether you want to learn for the first time, review subjects you forgot or use for ever-ready reference, you could find no better set or price. These handsome 1 1/4 x 10 1/4 inch, 24-carat gold imprinted, matched library volumes are not dis-

gests or outlines. Every point is made absolutely clear by illustrations and simple step-by-step explanations, using everyday situations. No half-answers to confuse you, no cross-references to make you use several books to get information. All the books teach you naturally, without memorizing long lists of rules.

Complete Explanations, Simple Illustrations Make Every Point Clear—No Previous Knowledge of the Subject Required

Here's how complicated subjects are **MADE SIMPLE.** In **PHYSICS** **MADE SIMPLE**, you are shown this simple home experiment, which costs nothing. Hold one edge of a letter paper against your chin, just below lower lip, with the paper hanging over and down. Blow above the paper and it will rise as if pulled up in the air stream. This

simple principle makes airplanes fly and teaches us to make moving objects move quickly and easily. Other books give you Bernoulli's Law, molecular action and other confusing terms. By the time you got to the experiment, if there was one, you wouldn't understand it. Here you read a simple explanation, do the experiment and then learn the technical terms, so you learn naturally, by doing, without memorizing anything. This has worked for many people who thought they were more hopeless than you may think you are.

You would pay many times the price for much less beautiful and useful encyclopedias. But these books, with simple military and civil service tests, hundreds of illustrations, hundreds of safe, easy home experiments, thousands of pages of clear, concise, valuable instruction and self-tests and answers in the back, will be **USED, ENJOYED AND ADMIRERED** by all your family and friends.

THE RECIPE

JOSIE was a tomboy. From the time little girls usually cuddle dolls, Josie cuddled a baseball. Fancy ball dresses were objects of complete disdain to her. Although Josie's mother hoped that someday her little girl would outgrow this phase, she had visions of Josie a hundred years from now hobbling out onto the baseball diamond for her turn at bat.

"I don't know where you get all that energy from," her mother commented one day. "I see all the other little girls reading fairy tales, preparing for their future . . ."

Josie wrinkled her freckled nose.

"That bores me," she replied in a condescending voice. "I'd sooner give myself a physical workout."

To Josie's surprise, her mother promptly put a broom in her hands.

"Very well then," her mother said, taking advantage of the situation. "You can sweep the front porch for me."

When Miss White, the next door neighbor dropped by, Josie overheard her comments. To her dismay, Miss White suggested a practical plan to use on Josie.

"You must cultivate Josie's interest in feminine pursuits," said Miss White knowingly. "Perhaps you could start her on embroidery work. Eventually she'll show an interest in things like cooking, too, and you can relax and not worry about Josie any more."

She certainly hoped her

mother would "relax" in time for her to get out of the house that Saturday afternoon for the gang's baseball game! She could just see herself daintily sewing away with needle and thread instead of sliding into home in a victorious cloud of dust! Josie sighed and decided then and there to use strategy. If it would make her mother happy for Josie to show an active interest in feminine pursuits, there would be nothing wrong with it. That certainly seemed like the best idea.

The following day Josie took part of her allowance and went to a second-hand book store she knew. Open tables of worn books were set up in the store. Josie looked over them carefully.

"Do you have any used cook books?" she asked the proprietor.

"Haven't seen any about here lately," he replied, "unless some came in with the batch of books I bought today. I haven't gone through all of them yet. They're on the floor in the corner, though, if you want to dig into them."

Josie looked doubtfully at the pile of books he pointed out. Most of them were falling apart, and their bindings were so badly worn that Josie doubted she would ever find what she wanted there. But she decided that she couldn't afford to let the opportunity pass.

Carefully, she knelt down and looked over the list of titles. To her delight she found exactly what she wanted! It was a chunky leather-bound book with the gilt lettering of the

title partly rubbed off. The first two words she couldn't make out at all, but the last two said "cook book." The proprietor asked for ten cents for the book, and off she went whistling happily.

When she got to her house, she slowed down from a racing pace to a dignified walk. She waved her hand and smiled sweetly to her mother.

"What have you been up to?" her mother asked suspiciously.

"I bought a cook book," said Josie. "You see, I've been thinking things over and I decided I really should take more of an interest in these things."

"Why, that's simply wonderful, Josie," her mother beamed. "Would you like to use the kitchen yourself or shall I help you."

"Oh, I can manage by myself," said Josie confidently.

Her mother hesitated. "Well, you call me if you're in doubt about anything."

A short time later, Josie's mother heard sounds of activity from the kitchen and smiled to herself. Josie was certainly changing in her enthusiasm for the domestic routine. She was tempted to look in and see what was going on, but she felt that Josie was old enough to handle her responsibilities. Then, too, the satisfaction she would get from doing the job herself would be lessened if her mother helped her now.

A short time later, Josie joined her mother on the porch. Her freckled face had a wide grin, and her eyes were dancing.

"You know something?" she said, "I never knew that cooking could be so much fun. One of those recipes I'm trying sounds simply great. The guy who wrote the book must have had quite a sense of humor though. How in the world can you stir a cat's meow into a kitty?"

"What did you say?" asked her mother curiously.

At that moment their house pet, Whiskers, the cat, jumped up on the porch and purred Hello.

"I think it's sort of crazy, but then I haven't done much cooking before," Josie admitted. "I found part of a crow's nest in my room luckily. It's the one I saved from the time we were in the country last year."

"What in the world have you been cooking?" her mother demanded. And with that she rushed into the house and toward the kitchen. Josie followed and Whiskers padded behind them.

A large kettle was on the stove simmering away. Clouds of steam poured from it, and Josie took up her cooking spoon with as much determination as she had when wielding a baseball bat. She stirred the liquid in the pot, and at that moment Whiskers let out a long "Meo-ow."

Suddenly, the broom closet door swung open. The broom actually flew through the air and sailed out the window! Suddenly, in the living room the shades on all the windows started to spin and flap. And then, of all things, from the upstairs part of the house came the sound of martial music that sounded as if the Army band were conducting a full scale parade.

"What's going on here?" Josie's mother demanded. She waved her hands in the air excitedly just in time to catch two bouquets of flowers that sailed from their vases in the living room smack into her!

Suddenly the broomstick vaulted back into the kitchen and this time with the precision of a dive bomber, plunged downwards and skidded across the floor to where Whiskers was sitting. Whiskers was lifted up onto the broomstick and zoomed overhead. He purred contentedly and seemed to thor-

oughly enjoy this new aerial view of things!

"I don't understand this," said Josie, looking around her in amazement.

"Well, I do!" exclaimed her mother taking a good look at the cook book Josie was using. With capable hands she took two pot holders and got a firm grip on the boiling kettle. Despite Josie's squeals of protest she took the pot, marched to the back door and tossed the contents into the compost heap.

The noisy music stopped. The shades at the windows flapped into place. The last strange sound was the sudden plop of the broomstick and an indig-

nant "Meow" from Whiskers as his aerial broom crash-landed him with a skid across the waxed kitchen floor.

"If you had stopped to read the title of this book carefully this wouldn't have happened," Josie's mother scolded.

Josie peered closely, and suddenly she realized that the faint letters of the first two words read, "Witches' Magic."

"My goodness," she gasped, "the 'Witches' Magic Cook Book."

"And the recipe you were brewing was probably a concoction used to haunt houses," her mother said indignantly. "I might have known your sudden interest in cooking would have ended up in mischief."

"But my motives were good," Josie protested although she blushed with shame.

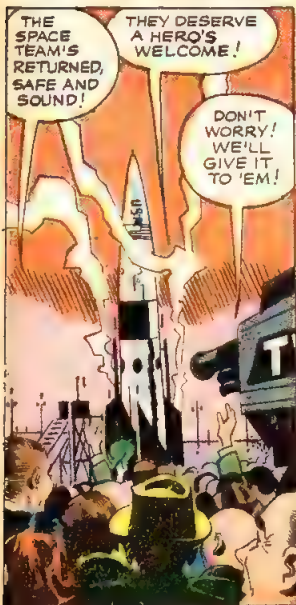

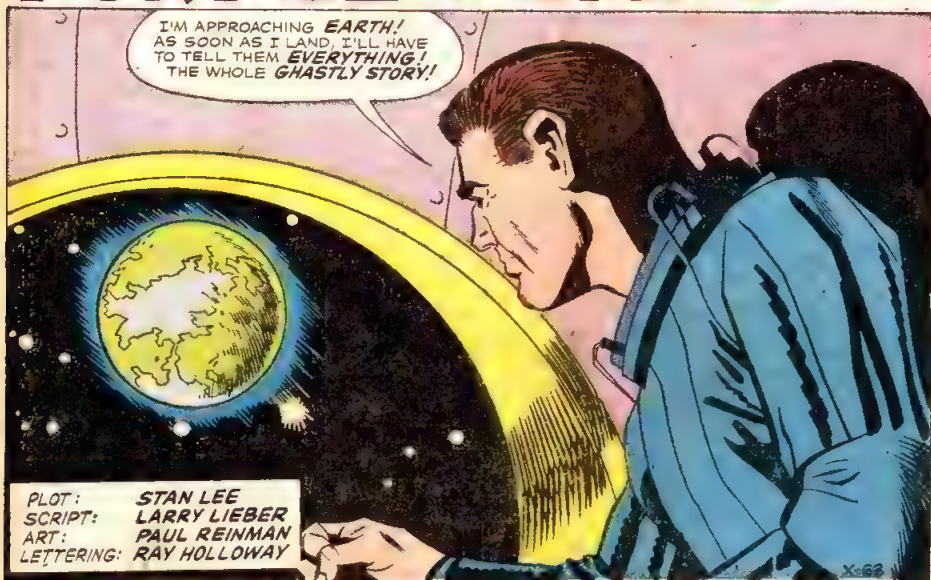

Suddenly her mother smiled understandingly.

She walked over to Josie and lovingly adjusted the halo glittering above her daughter's head. She then used her wand to straighten her own.

"Someday you young people in Fairyville will understand why we older fairies had to banish the witches and their foolish tricks. They were really giving our place a bad name. Next time be more careful about the cook book you use. I should have known when you mentioned crow's nest and a cat's meow what was going on. All our recipes call for flower petals and dewdrops, not that silly stuff you mentioned! Well, go out and play with your friends now. By the time you're old enough to graduate from school and get your fairy-wand, you'll have stopped being a tomboy, I hope."

THE END

"the MYSTERY of the PURPLE PLANET!"

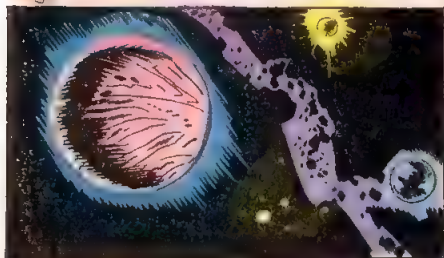

BUT, WHEN THE SHIP LANDS, AND THE DOOR OPENS...

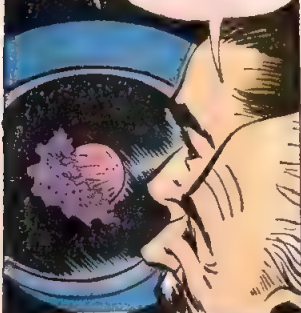

"YOU'VE A RIGHT TO KNOW THE TRUTH! SO HERE IT IS: YOU'LL REMEMBER THAT FOR YEARS WE THOUGHT DISTANT SARTANIA WAS AN UNINHABIT PLANET..."

LOOK! A GREAT PURPLE MIST IS SURROUNDING SATARNIA!

IT'S COMING FROM THE PLANET ITSELF! TOO REGULAR TO JUST BE A NATURAL PHENOMENON! THERE MUST BE AN INTELLIGENCE CONTROLLING IT!

"AND, FROM THAT WE CONCLUDED..."

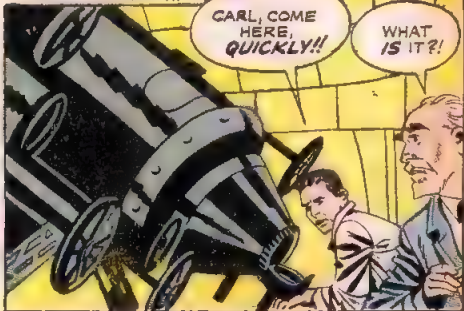

INTELLIGENCE MEANS HIGHER LIFE FORMS!

BUT WHY SHOULD THEY SURROUND THE PLANET WITH A MIST, AS THOUGH TO CONCEAL IT?

WE HAVE NO IDEA! BUT WE MUST FIND OUT! WE'LL SEND A SPACE TEAM THERE, TO ESTABLISH CONTACT WITH THE SARTANIANS!

"UNTIL ONE DAY..."

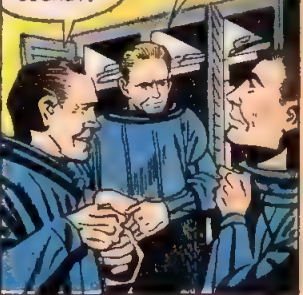

CARL, COME HERE, QUICKLY!!

WHAT IS IT?!

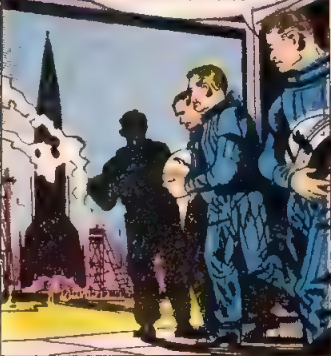

"AND SO A SPACE TEAM WAS SET UP... AND I WAS ONE OF ITS MEMBERS..."

I CAN'T FIGURE IT, BENTLEY! A RICH GUY LIKE YOU RISKING YOUR NECK AS A ROCKET JOCKEY!

YEAH, IF I HAD ALL YOUR DOUGH I'D JUST STAY HOME AND HAVE A BALL!

TRITE AS IT MAY SOUND, MONEY ISN'T EVERYTHING! BESIDES, I ENJOY SPACE TRAVEL! DISCOVERING NEW WORLDS, SEEING DIFFERENT FORMS OF LIFE, AND GATHERING DATA FOR EARTH!

BENTLEY SOUNDS LIKE A SPACE CORPS RECRUITING POSTER!

DON'T KNOW ABOUT HIM, BUT I'M IN THIS FOR THE MONEY! IF I COULD MAKE MORE DOUGH AT SOMETHING ELSE, I'D BE DOING IT

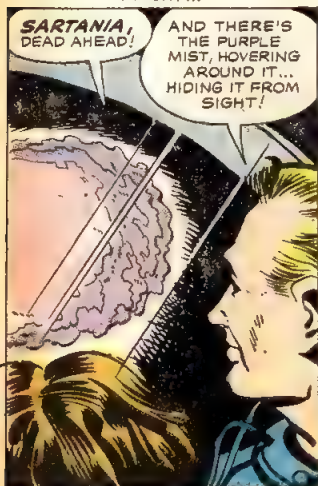

WELL, OUR DIFFERENT MOTIVES DON'T MATTER! WE'RE ALL IN THIS TOGETHER AND WE WORK AS A TEAM! CHECK?

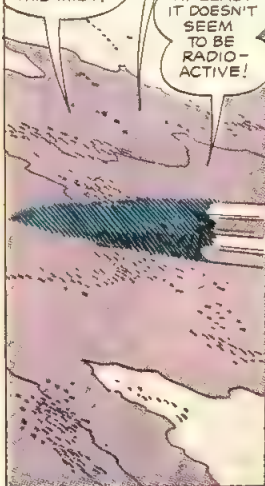

CHECK!

"AND WE *DID* WORK AS A TEAM! EACH OF US SKILLFULLY PERFORMING HIS JOB UNTIL FINALLY, AFTER 120 HOURS OF SPACE FLIGHT..."

I WONDER WHY THE SARTANIANS CREATED THIS MIST!

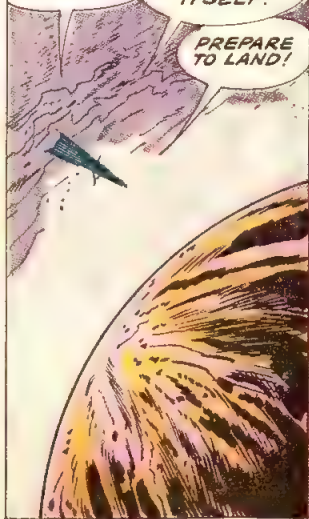

WE'LL SOON FIND OUT!

AT LEAST IT DOESN'T SEEM TO BE RADIO-ACTIVE!

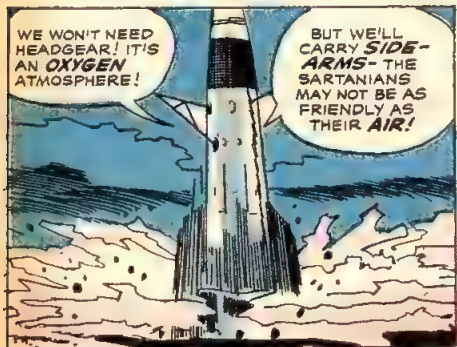

WHEW? WE'RE THROUGH IT!!

AND THERE'S THE PLANET ITSELF!

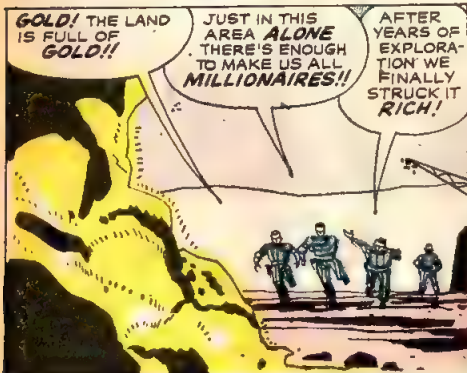

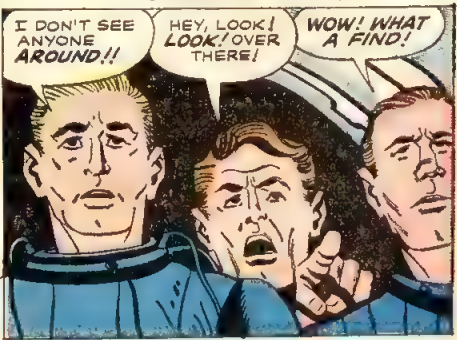

PREPARE TO LAND!

"WE LANDED WITHOUT MISHAP IN A RURAL AREA..."

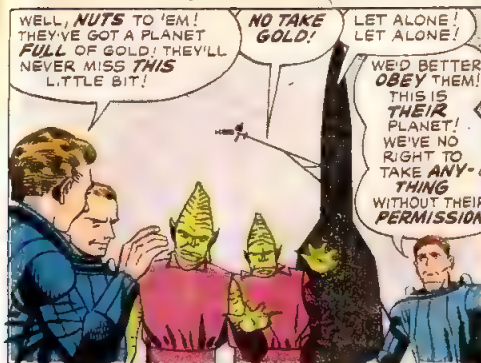

"BUT THEN, WHEN WE TOUCHED DOWN... WHEN WE OPENED THE DOOR ...

"BUT BEFORE THE CREW COULD TOUCH ANY OF THE GOLD..."

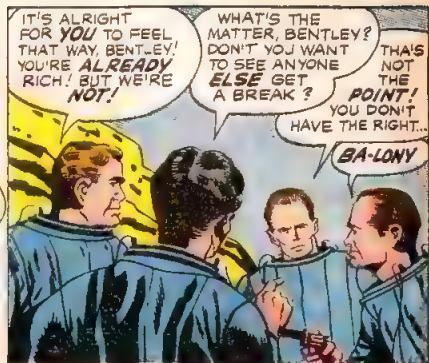

WELL, **NUTS** TO 'EM!
THEY'VE GOT A PLANET
FULL OF GOLD! THEY'LL
NEVER MISS **THIS**
LITTLE BIT!

**NO TAKE
GOLD!**

LET ALONE!
LET ALONE!

WE'D BETTER
OBEY THEM!
THIS IS
THEIR
PLANET!
WE'VE NO
RIGHT TO
TAKE **ANY-
THING**
WITHOUT THEIR
PERMISSION!

IT'S ALRIGHT
FOR **YOU** TO FEEL
THAT WAY, BENTLEY!
YOU'RE **ALREADY**
RICH! BUT WE'RE
NOT!

WHAT'S THE
MATTER, BENTLEY?
DON'T YOU WANT
TO SEE ANYONE
ELSE GET
A BREAK?

THAT'S
NOT
THE
POINT!
YOU DON'T
HAVE THE RIGHT...

BA-LONY

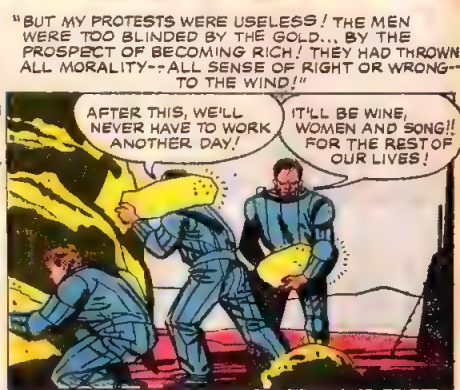

THIS GUN GIVES ME
ALL THE RIGHT I
NEED! NOW KEEP
BACK, YOU CHARACTERS,
OR I'LL **FIRE!**

C'MON, BOYS,
LET'S START
LOADING THE
GOLD ONTO
THE SHIP!

**NO! NO
TAKE! NO
TAKE!**

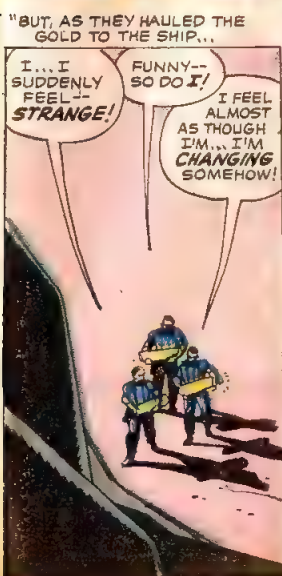

YOU'RE
MAKING A
BIG
MISTAKE,
SMITH!

"BUT MY PROTESTS WERE USELESS! THE MEN
WERE TOO BLINDED BY THE GOLD... BY THE
PROSPECT OF BECOMING RICH! THEY HAD THROWN
ALL MORALITY--ALL SENSE OF RIGHT OR WRONG--
TO THE WIND!"

AFTER THIS, WE'LL
NEVER HAVE TO WORK
ANOTHER DAY!

IT'LL BE WINE,
WOMEN AND SONG!!
FOR THE REST OF
OUR LIVES!

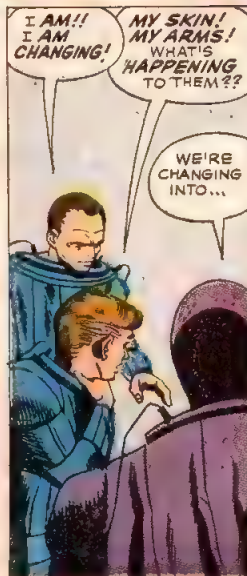

"BUT, AS THEY HAULED THE
GOLD TO THE SHIP...

I... I
SUDDENLY
FEEL--
STRANGE!

FUNNY--
SO DO I!

I FEEL
ALMOST
AS THOUGH
I'M... I'M
CHANGING
SOMEHOW!

I AM!!
I AM
CHANGING!

MY SKIN!
MY ARMS!
WHAT'S
HAPPENING
TO THEM??

WE'RE
CHANGING
INTO...

-- INTO
SARTANIANS!

BUT **HOW??**
WHAT COULD
HAVE
CAUSED
IT??

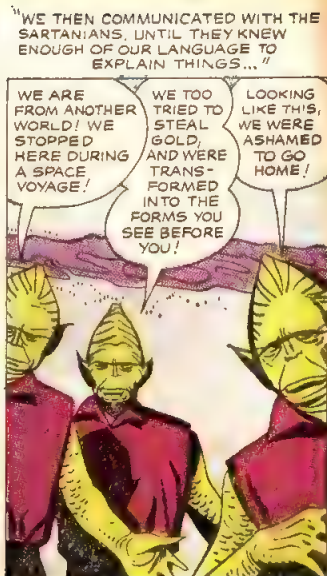

SOMETHING ON
THE PLANET!
BUT WHAT??
WE DIDN'T
TOUCH ANYTHING,
EXCEPT...

EXCEPT...
THAT GOLD!!

THE SARTANIANS!
THEY WARNED US,
BUT WE DIDN'T
UNDERSTAND! WE
THOUGHT THEY
WANTED THE GOLD
FOR THEMSELVES!

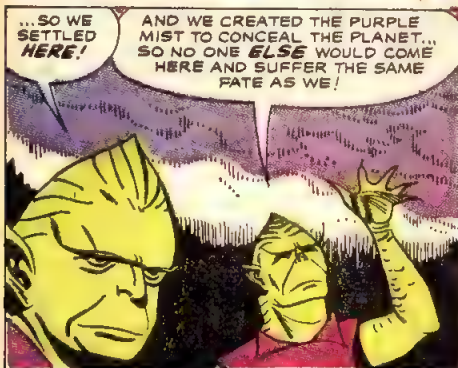

THEY WERE
TRYING TO
SAVE US... TO
KEEP THIS FROM
HAPPENING!

WE ARE
FROM ANOTHER
WORLD! WE
STOPPED
HERE DURING
A SPACE
VOYAGE!

WE TOO
TRIED TO
STEAL
GOLD,
AND WERE
TRANS-
FORMED
INTO THE
FORMS YOU
SEE BEFORE
YOU!

LOOKING
LIKE THIS,
WE WERE
ASHAMED
TO GO
HOME!

...SO WE
SETTLED
HERE!

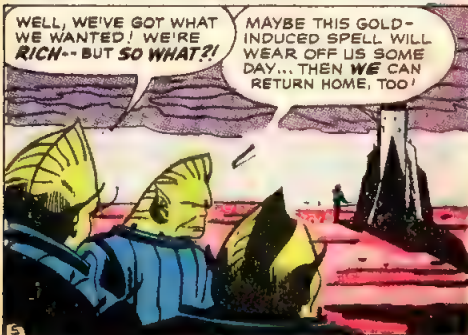

AND WE CREATED THE PURPLE
MIST TO CONCEAL THE PLANET...
SO NO ONE **ELSE** WOULD COME
HERE AND SUFFER THE SAME
FATE AS WE!

BUT **WE** CAME...
AND BECAUSE
WE WERE GREEDY
FOOLS, WE'VE
ENDED UP THE
SAME WAY!

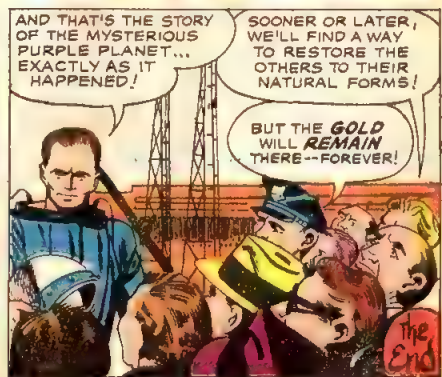

NOW, IF WE GO BACK TO
EARTH, LOOKING LIKE **THIS**,
WE'LL BE CONSIDERED
FREAKS! PEOPLE WILL
EITHER SHUN US OR MOCK
US! IT'LL BE
UNBEARABLE!

"AND SO, THEY REMAINED THERE AS SARTANIANS...
FABULOUSLY RICH OWNERS OF A GOLD-FILLED PLANET!"

WELL, WE'VE GOT WHAT
WE WANTED! WE'RE
RICH-- BUT SO WHAT?!

MAYBE THIS GOLD-
INDUCED SPELL WILL
WEAR OFF US SOME
DAY... THEN **WE** CAN
RETURN HOME, TOO!

AND THAT'S THE STORY
OF THE MYSTERIOUS
PURPLE PLANET...
EXACTLY AS IT
HAPPENED!

SOONER OR LATER,
WE'LL FIND A WAY
TO RESTORE THE
OTHERS TO THEIR
NATURAL FORMS!

BUT THE **GOLD**
WILL **REMAIN**
THERE--FOREVER!

the
End

BOYS! MEN!

MY SECRET NEW DYNAFLEX METHOD

CAN BUILD YOU A MAGNIFICENT NEW HE-MAN-MUSCLED BODY IN JUST TEN MINUTES A DAY—with absolutely NO weights—NO bar-bells—NO EXERCISE AT ALL!

Yes! If the girls LAUGH at you now when you take off your shirt—they'll be breaking down the doors to get dates with you—once they've seen the rugged DYNAFLEX BODY I can give you! I'll build you a tough brutal massive body—shoulders clad with solid inches of he-man BRAWN. I'll give you bulging biceps, trip-hammer fists, power-packed legs, and a chest that will have you popping the buttons off your shirt with pride!

(—says MIKE MARVEL, "Builder of Champion Bodies")

ARE YOU ASHAMED OF YOUR BODY NOW?

Put—do YOURSELF a favor! Take a good long look in a mirror. Do you see a puny, starved body—bony arms—bony shoulders—a bony stomach and skinny legs? Do girls laugh and follow you when you take off your shirt?

BELIEVE IT OR NOT—I can add solid pounds of rippling, solid he-man MEAT to your build. I can take those shabby arms and PACK EVERY INCH with explosive, virile MAN-MUSCLE. I can take that scrawny chest and build an incredibly thick chest plate with the GIANT RIBBING DYNAFLEX MUSCLES that will have the girls gasping with awe and admiration! And with NO lifting exercise. NO high-priced bar-bells or gym equipment!

Or is your problem a body sagging with soft rolls of subcutaneous, unsoundness FAT? Put muscles—tapping stomach—blasted face—arms heavy with layers of FLUBBER? Are you ASHAMED to go to the beach and let them see your "FAT-MAN PHYSIQUE"?

If so, wake up fatal! THIS IS IT! I will get off that fat and give you a lean virile DYNAFLEX BODY, endowed with a sheath of hard tough handsome muscle. I can build you into a healthy streamlined HERCULES—bursting with dynamic mighty strength. I'll give you a thick rock-hard midsection—flex muscles like coiled steel springs. I can pack solid DYNAFLEX into your ribs and give you a rugged handsome build brim-full of the magnetic SUPER-BODY SEX-APPEAL girls are hungry for. And with NO starvation diets—NO fatiguing calisthenics—NO expensive health-foods.

NOW DYNAFLEX BUILDS BEAUTIFUL BODIES

DYNAFLEX is the modern miracle of body-building. It takes no tireless exercises, "crash" diets, swollen loins, and no weights or bar-bells. DYNAFLEX is the amazing discovery of a West German Doctor

whose research into the Secrets of Strength found a thrilling new way to build GIANT BRAWNY MUSCLES in ten minutes a day. With DYNAFLEX you "flex" each muscle once—a certain way—that is more effective than if you exercised that muscle 20, 30, even 100 times the fashionable way. With DYNAFLEX you get bigger results in ten minutes than after an hour of tiring and grueling, heaving heavy weights. DYNAFLEX causes each muscle in your body to become soft and floppy, fullness and satiny symmetry. DYNAFLEX packs that muscle with giant muscle fibers—strength and energy—FAST. In ten minutes a day I can give you more than 100 healthy rippling muscles—give you a deep, powerful chest—solid shoulders and wrists—tough, slim midsection—and diamond-spring legs—simply thru "DYNAFLEXING" each muscle once. Day after day. There's nothing wrong with the bar-bell and weight-lifting method. But what about? Why waste time and money, why sweat and strain your way to a streamlined symmetrical SAMSON STRONG BODY when you can do it better—bigger—faster—with the DYNAFLEX SECRET?

STRONG-MAN SEX-APPEAL ATTRACTS GIRLS

No doubt. Down deep you KNOW you envy the boy with the virile, magnificent build. Every man who has secretly desired a broad brawny chest, a solid man-muscled head, handsome man shoulders, arms rippling with tough, stately sinews, a narrow neck, thick skin and springy, power-packed legs: girls go for a fellow with TWO-FISTED BIG MUSCLE SEX-APPEAL. And they don't laugh at skinny guys or "fatso's".

Now give you a glowing new body, brimming over with energy and irresistible solid muscle on your chest, arms, shoulders—he-man appeal. I can build those inches of beef and drain on your shoulders. I will build you a handsome super-body of terrific strength, give you a crushing grip, legs swarmed with steel springs. A lean, fast, rock-solid punch-proof midsection. Pack your body with virile and thrilling muscle that will have girls falling at your feet.

Mike Marvel System, DEPT. 63, 285 Market St., Newark, N.J.

GIVE ME TEN MINUTES A DAY —THAT'S ALL!

After DYNAFLEX, you'll be able to roll up your sleeves and take off your shirt and for the first time in your life, you'll be PROUD of your manly build. Yes, you, say goodbye to your weak, flabby frame—get ready for adventure and romance with a solid physique that gives and vibrates with virile he-man appeal. You'll be really proud to have people see your MAGNIFICENT HE-MAN BRAWN. You'll be the head or sym. And, when the girls stare with envy and jealousy—when the girls crowd around to squeeze your iron biceps or touch your bulging brawny chest—what they ask in amazement is: "How did you do it?"
